Kuvings®

WHOLE SLOW JUICER

REVO830

Kuvings®

WHOLE SLOW JUICER

OPTIMIZED FOR CARROT & CELERY

REVO830

The new dual feed chute design accommodates both whole and long ingredients. The 45mm narrow feed chute is optimized for long and leafy vegetables, such as carrots and celery. The smart auto-cutting feature enables more efficient juice extraction.

Kuvings®

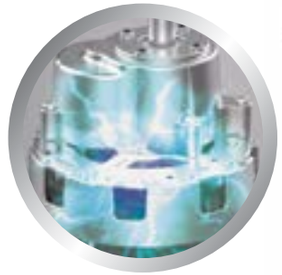
Fulfill your daily nutritional requirements with a glass of juice!

Smart auto-cutting technology

The automatic cutting system adjusts its speed for each ingredient, creating an optimal juice texture.

Easy to clean

Brushes and special cleaning tool are provided for easy cleanup. All parts detach for deep cleaning.



Enhanced motor durability

Powerful yet quiet, the motor minimizes noise and vibration to provide a pleasant juicing experience.

Low-speed mastication

The screw gently presses ingredients to prevent nutritional loss, improve taste, and increase yield.
